THE OPPORTUNITY

Opportunity for an operating injection molding business to expand their product line and customer base as well as add a PET stretch blow molding line. Equipment can be easily moved to a new location and would require approximately 13,500 square feet of space.

FINANCIAL INFORMATION

Years Ended May 31	2015	2016	2017
Revenue	\$ 2,471,593	\$ 2,295,116	\$ 2,359,654
Gross Profit	\$ 409,873	\$ 205,637	\$ 300,703

REASON FOR SALE

Owners wish to spin-off this division of the company.

Note: sale consists of equipment, inventory and goodwill.
